

» Acronyms and Abbreviations

ACEEE	American Council for an Energy-Efficient Economy	Ind	Industrial [sector]
AEO	Annual Energy Outlook	I-O	input-output [model]
AFW	Agriculture, Forestry and Waste Management [sector]	K-L	Kerry-Lieberman [Senate climate bill]
AASHTO	American Association of State Highway and Transportation Officials	kgCO₂/gge	kilograms of carbon dioxide per gasoline gallon equivalent
APA	American Power Act [Senate climate bill]	LDV	light duty vehicles
BRT	bus rapid transit	LFG	land fill gas
CCS	Center for Climate Strategies	ME	macroeconomic [model]
CCSR	carbon capture and storage or reuse	MMtCO₂e	million metric tons of carbon dioxide equivalent
CGE	computable general equilibrium [model]	MP	mathematical programming [model]
CHP	combined heat and power	MPG	miles per gallon
CO₂	carbon dioxide	MSW	municipal solid waste
CO₂e	carbon dioxide equivalent	NG	natural gas
C&T	cap-and-trade	NPS	new-source performance standards
DSM	demand side management	NPV	net present value
E85	ethanol 85 [gasoline blend with up to 85% ethanol]	N₂O	nitrous oxide
EEC	energy efficiency and conservation	O&M	operation and maintenance
EIA	Energy Information Agency	ORNL	Oak Ridge National Laboratory
EIS	Energy-Intensive [Industrial] sector	PI+	Policy Insight Plus
ES	Energy/Electricity Supply [sector]	RCI	Residential, Commercial and Industrial [sector]
ESD	energy supply and demand	RECs	Renewable Energy Certificates
GAAMP	Generally Accepted Agricultural Management Practices	REMI	Regional Economic Models, Inc.
GDP	gross domestic product	REMI PI+	Regional Economic Models, Inc. Policy Insight Plus [model]
GREET	Greenhouse Gases, Regulated Emissions, and Energy Use in Transportation [model]	RPS	Renewable Portfolio Standard
HDV	heavy duty vehicles	SGA	Southern Governors' Association
HHS	[U.S. Department of] Health and Human Services	TLU	Transportation and Land Use [sector]
HVAC	heating, ventilating and air conditioning	TRB	Transportation Research Board
IGCC	integrated gasification combined cycle	TRUs	trailer refrigeration units
		TSE	truck stop electrification
		USDOE	United States Department of Energy
		USEPA	United States Environmental Protection Agency
		VMT	vehicle miles traveled
		VISION	Voluntary Innovative Sector Initiatives [of USDOE]
